SUPREME COURT OF PENNSYLVANIA.

Chief Justice.....The Honourable John Bannister Gibson.

Associate Justices.....The Honourable Molton C. Rogers, John Kennedy, Thomas Sergeant and Thomas Burnside.

The Eastern District is composed of the City and County of Philadelphia, and of the Counties of Delaware, Chester, Montgomery, Bucks, Northampton, Lehigh, Monroe, Pike, Carbon and Schuylkill.

The jurisdiction in all those counties is appellate, except in the City and County of Philadelphia, where, besides appellate jurisdiction, there is original jurisdiction in all cases where the amount in controversy is five hundred dollars and upwards.

There are two terms for the Eastern District, holden at Philadelphia on the third Monday of December, continuing three weeks; on the second Monday of March, continuing two weeks. These terms are continued, by adjournment, for a longer period. The first and last days of each term are return days. The last Monday of July is also a return day, when the Court is opened for motions, and so forth. The first Monday of each month is also a return day for all process, original, mesne or final. The Court has power to fix special return days.

Nisi Prius Court.

There are four sessions of the Nisi Prius holden by the judges of the Supreme Court—the judges alternating—commencing on the first Mondays of September, November, January and March, in each year. Each session is divided into two periods of at least three weeks each, for jury trials. The remainder of the sessions is appropriated to equity cases and arguments in this court. The first Monday in every month is a return day for original process.

The judge at Nisi Prius hears and determines all cases in equity brought in the Supreme Court.

The act of Assembly usually termed the affidavit of defence law, has been extended to this Court. The arbitration act is also in force.

Prothonotary of the Eastern District.....Joseph Simon Cohen, Esq.

DISTRICT COURT.

President Judge.....The Honourable Thomas M'Kean Pettit.

Associate Judges.....The Honourable George M. Stroud and Joel Jones.

There are three terms for jury trials in each year, commencing on the first Monday of March, September, and December. The first four weeks of each are devoted to motions and arguments, and the nine weeks following to jury trials.

The June term is entirely for motions and arguments, and commence on the first Monday of June.

There are four terms in each year for process: the first Monday in every month being return day. WRIGHT'S

INDIAN VEGETABLE PILLS,

OF THE

North American College of Health.

This extraordinary medicine is founded on the principle, that the human frame is subject to

ONLY ONE DISEASE,

Namely, corrupt humours, which, when floating in the general mass of the circulation, are the cause of Intermittent, Remittent, Inflammatory, and putrid

FEVERS;

But when deposited, or laid down, on any part of the body, give rise, not only to all kinds of Inflammation and Swelling, but to every ache or pain with which we are afflicted.

A SINGLE 25 CENT BOX WILL

In all cases, give relief; and will do more to convince the invalid of their value, than volumes written in their praise.
